Calendar Year (CY) 2024 AAR, Observation No. 1 Page Nos. 60 to 61	BRS were not prepared and submitted to the COA Auditor on a monthly basis, together with the necessary supporting documents. Furthermore, JEVs to record all valid reconciling items that require adjustments and corrections in the books were only drawn in the subsequent month, contrary to Section 74 of the P.D. No. 1445 and COA Circular No. 96-011 dated October 20, 1996, thus, affecting the fair presentation of the financial statements and casting doubt in the reliability and accuracy of the Cash in Bank account's balances totaling P182,040,457.45.	We recommended that the City Mayor require the City Accountant to prepare the BRS and submit copies, with all of the necessary supporting documents, to the Audit Team for verification, within 10 days after the end of each month, as well as to draw JEVs to take up all valid reconciling items requiring adjustments and corrections in the books in their corresponding months, to ensure the reliability and accuracy of the Cash in Bank accounts.	To prepare the BRS and submit copies, with all of the necessary supporting documents, to the Audit Team for verification within 10 days after the end of each month to ensure the reliability and accuracy of the Cash in Bank accounts.	City Accountant Office (CAO)	Mar-25	Dec-25	Implemented		The Office of the City Accountant and the Office of the City General Services are currently updating their records to comply with the AOM. The action taken will be submitted together with the corrected/updated records needed by the COA. The Office of the City Accountant prepared and submitted the BRS, with all the necessary documents, to the Audit Team as scheduled.	Not Implemented			The CAO already submitted BRS until July 2025.
CY 2024 AAR, Observation No. 2 Page Nos. 62 to 66	The reliability and accuracy of the PPE accounts as of December 31, 2024 remained doubtful due to: (a) discrepancies totaling P15,644,743.89 between the accounting records and the RPCPPE; (b) various inconsistencies in the recording of the Land account; (c) inclusion of several items with costs below P50,000.00; (d) inclusion of PPE items with no acquisition costs; and	We recommended that the City Mayor direct the: a. OIC-CGSO and the City Accountant to reconcile their records of PPE and ensure that differences between the RPCPPE, and the PPE balances presented in the SFPos and accounting records be resolved;	To reconcile Accounting and General Services Office (GSO) records of PPE and ensure that differences between the RPCPPE, and the PPE balances presented in the Statement of Financial Position (SFPos) and accounting records will be resolved.	CGSO and CAO	Mar-25	Dec-25	Implemented		The OCA and CGSO are currently updating their records to comply with the AOM. The action taken will be submitted together with the corrected/updated records needed by the COA. Accounting and GSO records were reconciled.	Not Implemented			Ongoing updated of records.

	(e) non-maintenance of PPELCs and RPLC, contrary to the pertinent provisions of the MNGAS for LGUs and Section 4.1 of COA Circular No. 2022-004 dated May 31, 2022.	b. OIC-CGSO and the City Accountant, in collaboration with the OIC-City Assessor's Office, to identify all the parcels of land owned by the City, including the determination of the specific lots with which the survey costs were associated, obtaining copies of proofs of ownership of the aforementioned 11 lots, facilitating the registration and transfer of the land titles of the acquired lots from the previous owners to the City Government, and ensuring that these properties are properly accounted for in the books and the inventory reports;	The concerned offices will collaborate to identify all the parcels of land owned by the City, which must be supported by proofs of ownership such as Deeds of Donation and Transfer Certificate of Title (TCT), before taking up these lots in the books. Additionally, they will exert efforts to identify the specific lots with which the survey costs were related and shall be as part of the costs.	CAO, CGSO, City Assessor's Office	Mar-25	Dec-25	Not Implemented	Some land parcels are still under verification due to missing documentation or unclear ownership status in prior records.	The OCA will trace supporting documents pertaining to survey costs. The CAO and CGSO are now finalizing the verification of property documents, updating land titles, and coordinating with the Accounting Office for proper recording. The CAO coordinated with the City Engineer to verify which parcels underwent survey work. Update the RPCPPE/Property Ledger Cards to record each parcel of land with accurate description, location, and acquisition cost.	Not Implemented			Ongoing reconciliation and identification of recorded acocunts.
		c. City Accountant to reclassify the road lots totaling P1,745,600.00 from the Land account to the Road Networks account, and the PPE items totaling P93,815.00 to the semi-expendable properties account;	The CAO will implement the audit recommendation to transfer P1,745,600.00 from the Land account to the Road Networks account. However, the office will review the PPE items of P93,815.00 since they may be purchased as part of a set.	CAO	Mar-25	Mar-25	Implemented		Adjusting entries were prepared in order to transfer P1,745,600.00 from Land account to Road Networks account.	Implemented	Mar-25	Mar-25	JEV No. 101-2025-03-49927 dated March 31, 2025
		d. OIC-CGSO, in coordination with the Inventory Committee, to determine the acquisition costs of the 47 PPE items enumerated in the Machinery and Equipment, Motor Vehicles, Furniture and Fixtures and Other PPE accounts; and		CGSO	Mar-25	Dec-25	Implemented		The items with individual costs below P50,000.00 were found to be integral parts or accessories of existing PPE. These items were therefore retained under the PPE account as component parts, consistent with the provisions of the COA circular No. 2020-006 and Section 7.2 of COA Circular No. 2015-007, which allow capitalization of accessories and components forming part of a PPE item.	Not Implemented			For checking of compliance at yearend.

CY 2024 AAR, Observation No. 5 Page Nos. 71 to 73	The existence and accuracy of Biological Assets account in the books totaling P745,846.20 could not be ascertained due to: (a) erroneous recording of these assets at acquisition costs instead of fair market value less cost to sell; (b) composition discrepancies noted in the SL and Report on the Physical Count of Property, Plant and Equipment submitted by the CAO and the CGSO, respectively; and (c) the inclusion of 12 breeding cattle which have been reported deceased as of year-end, while the condition of the remaining breeding stocks were unknown, contrary to Section 111 of P.D. No. 1445 and Paragraphs 16 and 30 of the IPSAS 27.	We recommended that the City Mayor direct the: a. OIC-City General Services Officer, City Agriculturist and the City Accountant reconcile their records and reports, and ensure that the status, condition, location, accountability and/or other relevant information needed are included in such reports for proper recording, monitoring and subsequent derecognition of biological assets in the books of accounts, as necessary; and b. City Accountant to adopt the guidelines in recording the Biological Assets as provided in Paragraphs 16 and 30 of the IPSAS 27 to ensure the proper valuation of the biological assets at each reporting date.	The CGSO, the Office of the City Agriculturist and the CAO to continue reconciling their records and reports to ensure that the status, condition, location and accountability and other relevant information are included for the proper monitoring and documentation of the biological assets of the City Government.	CGSO, CAO and City Agriculturist	Mar-25	Dec-25	Implemented		The proper documentation had been executed. Biological assets were no longer existing and had been disposed of were dropped from the book of accounts.	Not Implemented			Breeding stocks amounting to P252,346.20 were requested for relief from accountability with Decision No. 2025-001 dated August 11, 2025. Unnumbered JEV dated August 13, 2025 was prepared for the derecognition of the biological asset. A separate request for relief amounting to P63,500.00 was forwarded to the AT, for validation and issuance of decision.
			To prepare the necessary entries to properly value and present the Biological Assets in the FS.	CAO	Mar-25	Dec-25	Implemented		Quarterly report of Biological Assets was prepared and submitted by the City Agriculturist to the CGSO and CAO. This report is the basis of the City Accountant in ensuring that biological sets were properly valued and reported in the books.	Not Implemented			No proof of compliance submitted to the Audit Team. CY 2024 AAR, Observation No. 7 Page Nos. 75 to 76	Due to NGAs account totaling P2,600,000.00 had been idle or dormant for more than 13 years due to the absence of documents pertaining to the SA and the purpose for which the transferred funds were intended, contrary to E.O. No. 431, and COA and DBM Joint Circular No. 9-81, thus, the City and/or the National Government was deprived of additional resources that could have been used to fund priority programs, projects and /or activities.	We recommended that the City Mayor direct the concerned implementing offices to trace and communicate with the SA to locate the MOA and adhere to the provision therein relative to the utilization and liquidation of the fund transferred, and/or seek approval from the trustor to revert the balances of these long outstanding dormant accounts to the unappropriated surplus of the GF of the City.	The City Accountant will take the necessary steps to revert the unexpended balance of the due to NGAs account totaling P2,600,000.00t the unappropriated surplus of the GF after conducting proper consultation with concerned implementing offices, or return the amount to the trustor or SA, whichever is appropriate. CY 2023 AAR, Observation No. 12 Page Nos. 84 to 86	Issued semi-expendable properties totaling P2,150,573.00 were not reported to the City Accounting Office using the Report of Semi-Expendable Property Issued (RSPI), thereby overstating the recorded Property and Equipment for Distribution (PED) account and understating the related expense account by the same amount as of December 31, 2023. Moreover, the Semi-Expendable Property Card (SPC), Semi-Expendable Property Ledger Card (SPLC), and Registry of Semi-Expendable Property Issued (RegSPI) were not prepared and maintained by the City for all semi-expendable properties of the City, contrary to the pertinent provisions of the COA Circular No. 2022–004, thus the actual condition, history, and other information about the semi-expendable properties cannot be monitored.	We recommended that the City Mayor instruct the: b.City GSO to prepare and maintain SPCs and the Accounting Office to prepare and maintain RegSPI and SPLCs for all semi-expendable properties in compliance with COA Circular No. 2022-004.	Prepare and maintain the necessary records pertaining to semi-expendable properties.	CGSO, CAO			Not Implemented	No action taken.	No action taken.	Not Implemented			The CGSO was unable to maintain complete records on the City’s semi-expendable properties.
CY 2023 AAR, SIPYAR No. 8, Page Nos. 101 to 102	The City still resorted to the manual or cash advance system in paying the wages of its Job Order (JO) workers amounting to P74,941,159.05 for the CY 2022, inconsistent with the pertinent provisions of Section 124 of PD 1445, thus the benefits of the electronic payroll system such as greater control and protection in cash handling and administrative efficiency were not fully enjoyed by the City.	We recommended that the City Mayor require the City Treasurer and other concerned officials to prepare and submit the necessary requirements to enable the City to include in its automated payroll system the payment of the wages of its Job Order workers.	Prepare the necessary requirements to ensure that all JO workers are included int the automated payroll.	City Treasurer			Not Implemented	A number of JO workers were still not enrolled in the automated payroll.	The City was able to enroll several JO workers in the ATM payroll.	Not Implemented			At least 1,000 job order workers of the City were not yet enrolled in the automated payroll.
